WDVA Bulletin No. 1088

TO: County/Tribal Veterans Service Offices

SUBJECT: Veterans Self-Referral Form Link for VORP

VORP (Veterans Outreach and Recovery Program) would like to announce the release of the VORP Self-Referral Form on the www.MyWisVets.com page. Now a veteran can enter information about themselves, their situation and their needs. The process is started by clicking the “Request Assistance” tab in the “Outreach and Recovery” box in the bottom left of the page. Please share this information with those veterans who could benefit from VORP services. CVSOs and TVSOs still can refer veterans directly to VORP staff.

Thank you.
