What is VORP?

The Veterans Outreach and Recovery Program (VORP) connects Veterans to community services and provides case management and support with a special focus on treatment and recovery.

Case Management

VORP is a case management program that works with participants to identify issues and barriers that may prevent them from living the life they want and uncovering solutions to achieve their goals. Based on the needs, strengths, and values of each participant, and in collaboration with community service providers, VORP connects participants to a variety of programs and services designed to meet their unique needs until they reach their goals.

Support Services

VORP staff work with community partners and professionals to provide assistance and connection to:

- Mental Health Services
- Substance Use Treatment
- Financial Assistance
- Housing and Utilities
- Claims and Benefits Assistance
- Employment and Education
- And many other services

VORP funding may be available to assist with treatment. Contact the field representative in your region.

Who does VORP serve?

All who have served in any component of the US Armed Forces including those that have previously served and continue to serve in the National Guard and Reserve.
