Tuition Residency for Wisconsin Veterans

Overview. Under s. 36.27(2)(b)4.ⁱ of the Wisconsin State Statutes, a person who was a resident of this state at the time of entry into active duty, who is a resident of and living in this state at the time of registering at an institution, and who meets the criteria for determination of veteran status under s. 45.01(12)22ⁱⁱ of the Wisconsin Statutes retains permanent eligibility for in-state tuition rates at University of Wisconsin (UW) institutions.

Applying. To apply, complete the attached forms. Be sure to provide required documentation as described below.

Wisconsin G.I. Bill

Effective date. The Wisconsin G.I. Bill first became effective on July 27, 2005.

Limits. The Wisconsin G.I. Bill may be used by eligible veterans, spouses, unremarried surviving spouses, and children for up to 8 semesters or 128 credits, whichever is greater.

Veterans. Under the Wisconsin G.I. Bill, an eligible veteran who entered active military duty as a Wisconsin resident is eligible for a remission of 100% of standard

academic (tuition) and segregated fees at a University of Wisconsin System institution or 100% of the program (tuition) and material fees at a Wisconsin Technical College System institution.

In addition, for students enrolling in a University of Wisconsin System institution, an eligible veteran who entered active military duty as a Wisconsin resident but who is nonetheless considered a non-resident for tuition purposes is entitled to a 100% remission of non-resident fees. (The remission of non-resident fees does not apply to WTCS because eligible veterans in the WTCS are granted statutory residency status.)

The Wisconsin G.I. Bill sets no income limits, delimiting periods following military service during which the benefit must be used, or limits on the level of study (e.g., vocational, undergraduate, graduate, professional). A veteran must either have established eligibility for Wisconsin veterans benefits previously or must do so at the time of application for Wisconsin G.I. Bill benefits. This is normally done by completing a WDVA 0001 form with the assistance of the County Veterans Service Officer (CVSO). A copy of the WDVA 0001 form and a listing of CVSOs are included in this brochure for your convenience.

Fees Not Covered by the Wisconsin G.I. Bill

Prior to registration, you are urged to check with the School Veterans Certifying Official (SVCO) at the campus you plan to attend to obtain specific information on any costs not covered by the Wisconsin G.I. Bill Tuition Remission for your planned course of study. A list of SVCOs is included in this booklet for your convenience.

You will be assessed and be responsible to pay any fees not covered by the Wisconsin G.I. Bill tuition remission. Once the

certification and eligibility processes are completed you will be provided a bill indicating the fees that are due and payable and the date by which they must be paid.

The Wisconsin G.I. Bill tuition remission program does not apply to the following:

The following information is updated periodically. For the most current information on fees not covered and answers to other important questions, see the Frequently Asked Questions on the UW website www.uwsa.edu/acss/student/WI_GI_Bill_FAQs.htm and the WTCS website www.witechcolleges.org/pdf/gi_bill_faq.pdf.

- **Study Abroad.** Academic fees charged by a UW institution for study abroad programs where the fees collected are subsequently paid by the UW institution to a non-Wisconsin institution are not covered. Also not covered are any non-instructional fees charged in connection with a study abroad program such as for travel or living expenses.
- **Cost Recovery Programs.** Academic fees at UW institutions that are over and above regular tuition and fees for undergraduate, graduate or professional courses are not covered. Certain academic programs are funded on a self-supporting basis without state support. Students enrolled in these higher priced cost recovery programs will be responsible for the difference between the cost of regular tuition and fees (for undergraduate, graduate or professional tuition and fees, as appropriate) and the full cost of the program. Many study abroad, distance education and online programs are funded in this way, as are many other programs.
- **Continuing Education.** Fees at UW institutions charged for continuing education courses

(where continuing education units—CEUs—are granted) are not covered. The Wisconsin G.I. Bill applies only to tuition remissions for eligible individuals enrolled in academic, college-credit courses.

■ **Federal Direct Payments.** The Wisconsin G.I. Bill tuition remission does not apply when tuition and fees are paid directly to the school by the federal government, such as ROTC scholarships [10 USC 2107 (c)] and federal VA Chapter 31 Vocational Rehabilitation [38 USC 3104 (a) (7) (A)]. The Wisconsin G.I. Bill tuition remission will be applied to the remaining balance of eligible tuition and fees payable by the student.

■ **Other Costs.** Other costs at UW institutions that are assessed in addition to academic student fees and segregated fees are not covered. Examples of costs that are not covered by the remission include, but are not limited to, textbook rental, laptop rental, special technology or computer fees, special course fees such as laboratory fees, the excess credits surcharge, and the United Council assessment. Housing and meals plans are likewise not covered by the remission. Online fees can be over \$200.00 at the baccalaureate level. Online courses may only be remitted at the in-classroom rate.

Fees and charges at Wisconsin Technical Colleges are assessed in addition to program fees (tuition) and material fees are not covered. As an example, the \$10.00 online course fee is not covered.

Spouses and Children of Deceased Veterans. Under the Wisconsin G.I. Bill, the qualifying children and the unremarried surviving spouse of a Wisconsin veteran who dies either in the line of duty or as a result of a service-

connected disability are eligible for set time periods for the waiver of 100% of standard academic fees (tuition) and segregated fees at a University of Wisconsin System institution or of 100% of the program (tuition) and material fees at a Wisconsin Technical College System institution.

Spouses and Children of Service-Connected Disabled Veterans. Additionally, a qualifying spouse and the children of a Wisconsin veteran who has a service-connected disability or disabilities with a combined rating by the U.S. Department of Veterans Affairs (VA) of 30% or greater are also eligible for a waiver of 100% of standard academic (tuition) and segregated fees at a University of Wisconsin System institution or of 100% of the program (tuition) and material fees at a Wisconsin Technical College System institution for set time periods.

Spouse and Children's Eligibility. For the spouse or child of a veteran to be eligible for the Wisconsin G.I. Bill, the veteran must have met certain statutory requirements as a veteran, must have been a Wisconsin resident at the time of entry into active military duty, and must have been a Wisconsin resident at the time of death. **The veteran must either have established eligibility for Wisconsin veterans benefits previously or must do so at the time of application for Wisconsin G.I. Bill benefits. If the veteran is deceased, the applicant may apply on the veteran's behalf.** This is normally done by completing a WDVA 0001. A copy of the WDVA 0001 form and a listing of CVSOs are included in this brochure for your convenience.

Children. For purposes of these benefits a child is defined in s. 45.01(4)ⁱⁱⁱ as any biological child, any adopted child, any stepchild, or any other child who is a member of the veteran's household, or any

nonmarital child if the veteran acknowledges paternity or paternity has been otherwise established. Children eligible for the Wisconsin G.I. Bill must be at least age 17 but less than age 26, regardless of the date of the veteran's death or initial service-connected disability rating determination of 30% or greater. Additionally, the child must be a resident for tuition purposes and may be a part-time or full-time student.

Spouses. Qualifying spouses must be residents for tuition purposes. A spouse or unremarried surviving spouse remains eligible for the Wisconsin G.I. Bill for ten years following the date of the veteran's death or the date of the VA's initial disability rating determination of 30% or greater. There is no requirement to study full-time.

Qualifying spouses must be residents for tuition purposes. A spouse or unremarried spouse is eligible for the Wisconsin G.I. Bill for ten years following the date of the veteran's death or commencing with the date the youngest child that they had with the veteran, reaches (or would have reached) age 18.

Statutes—Veterans. For statutory information on the Wisconsin G.I. Bill benefits for veterans, see *Wis. Stats. s. 36.27(3p)^{iv}* for UW System provisions and *Wis. Stats. s. 38.24(8)^v* for Wisconsin Technical College System provisions. These statutes are provided at the end of this publication.

Statutes—Dependents. For statutory information on the Wisconsin G.I. Bill benefits for the spouse, surviving spouse, and children of certain veterans, see *Wis. Stats. s. 36.27(3n)^{vi}* for the UW System and *Wis. Stats. s. 38.24(7)^{vii}* for Wisconsin Technical Colleges. These statutes are provided at the end of this publication.

Additional Info. For additional information, contact the School Veterans Certifying Official listed for your campus in this brochure. For assistance in completing Wisconsin G.I. Bill application forms and WDVA 0001 form, contact your County Veterans Service Officer. A copy of the WDVA 0001 form and a list of CVSOs are included in this brochure for your convenience. CVSOs are also listed on the WDVA website at www.WisVets.com/Education. In addition, you may consult FAQs for the UW System and for the Wisconsin Technical College System at www.uwsa.edu/acss/student/WI_GI_Bill_FAQs.htm and www.witechcolleges.org/pdf/gi_bill_faq.pdf respectively.

Applying. 1. Complete the applicable forms in this brochure. Submit a WDVA 2029 and a WDVA 2030 for each institution in which you intend to enroll. (Additional copies may be downloaded from the WDVA website www.WisVets.com.) You should submit the necessary documents by the **APPLICATION DEADLINES** listed on the WDVA 2029 “Application for Wisconsin G.I. Bill Benefits.”

2. All applicants must submit the WDVA 2029 “Application for Wisconsin G.I. Bill Benefits” form to the School’s Veterans Certifying Official (as listed in this brochure). If you are applying as the spouse or child of an eligible veteran, you must also attach relevant documents (for example, a copy of a marriage certificate, birth certificate or adoption certificate, or tax forms demonstrating dependent status) that indicate your relationship to the eligible veteran.

3. At the same time, all applicants must submit the WDVA 2030 “Request for Certification for Wisconsin G.I. Bill Benefits and Residency for Tuition Purposes” form to:

Wisconsin Dept. of Veterans Affairs
Attn: Wisconsin G.I. Bill Eligibility
30 W. Mifflin St., P.O. Box 7843
Madison, WI 53707-7843

NOTE: Veteran (if still alive) must sign the WDVA 2030 and WDVA 0001. If veteran is deceased and applicant is under 18 years of age, the surviving spouse would sign.

Be sure to include all required documentation as follows:

- DD Form 214, copy #4 or #6, *Certificate of Release or Discharge from Active Duty.* **NOTE: Some veterans discharged between 1978-89 may not have “home of record at time of entry onto active duty” on their DD 214. They can prove Home of Record by obtaining a copy of their Wisconsin Income Tax filing for the year of entry into active duty from the Wisconsin Department of Revenue. They may also obtain copies of their enlistment records for active duty and/or DD 2058, “State of Legal Residence Certificate,” from the records center in St. Louis to provide evidence of entry into active duty service. Contact your County Veterans Service Officer for assistance or see www.WisVets.com/Records. A list of CVSOs are included in this brochure for your convenience.**
- WDVA 0001, Eligibility Determination (if eligibility for benefits has *not* been established previously).
- Death certificate if the veteran is deceased.
- **Initial** federal VA service-connected disability rating notification letter showing 30% or more Service-Connected Disability (SCD) rating if claiming eligibility based on service-connected disability.

The Wisconsin Department of Veterans Affairs will send a completed certification of veteran status and eligibility to your School Veterans Certifying Official.

VetEd—Veterans Education Reimbursement Grant Program

www.WisVets.com/VetEd

Serving as a payer-of-last-resort after the Wisconsin G.I. Bill tuition remission, Reserve Tuition Assistance, the National Guard Tuition Grant, and other grant and scholarship programs, WDVA’s VetEd veterans education reimbursement grant program is funded from the Wisconsin Veterans Trust Fund to provide eligible Wisconsin veterans with education reimbursement grants for qualifying pre-baccalaureate study.

To apply for the VetEd grant, a qualifying Wisconsin veteran must:

1. Be certified for eligibility. Generally, this only needs to be done once and is determined at the time a veteran first applies for a program through WDVA. If you have previously applied for any WDVA program, chances are you have already done this.

2. Submit a Pre-Application. Veterans are encouraged to submit the VetEd Pre-Application (WDVA 2201) before the beginning of the course or semester or as soon thereafter as possible. Aggregate data collected from pre-applications is used as a forecasting tool in planning for end-of-semester application processing workloads, monitoring overall program usage, and determining or adjusting reimbursement rates as necessary. Get the VetEd Pre-Application in early—if it is submitted later than *180 days* after the *beginning* of the semester or course, applicable law requires the application be denied.

3. Submit a final application.

The final application for VetEd reimbursement grant funding (WDVA 2200) can be submitted by the veteran at the beginning of the semester, along with the VetEd Pre-Application (WDVA 2201), where it is held by the school until successful course completion can be verified and the application submitted to WDVA by the school. However, at the latest, it should be submitted by the veteran as soon as possible following successful course completion. State law requires that the Application must be completed and received no later than *60 days* after completion of the semester or course.

TIP: To speed the process, reduce waiting times for reimbursement checks, avoid the possibility of being lost in the mail, and ensure the mandatory deadlines are met, veterans should **submit both applications online at the beginning of the semester or course at <https://services.dva.state.wi.us>**, or online with the assistance of a CVSO. You'll need your username and password, or can sign up for a WDVA online account if you don't yet have one.

WDVA forms can also be printed and submitted in hardcopy, and are available online at www.WisVets.com/Forms.

Successful Course Completion Required. You must receive a 2.0 or "C" average for the semester or course(s) in order to qualify for a VetEd reimbursement grant.

Eligible Schools/Courses. The school must award academic credit. The program or course must be approved by WDVA's State Approving Agency (<http://saa.dva.state.wi.us>) or the state's Education Approval Board (<http://eab.state.wi.us/resources/schoolsprogram.asp>). Courses offered under clock-hour standards are not eligible for VetEd reimbursement grants. Out-of-State, tuition reciprocity, high

school, and correspondence study are limited by law—contact WDVA for more information.

Maximum Income. The annual income of the veteran and his or her spouse cannot exceed \$50,000 plus \$1,000 for each dependent in excess of two (2) dependents. Adjusted Gross Income (AGI) from the current tax return is used to verify income.

Other Grants/Scholarships. A veteran may not receive reimbursement under the VetEd grant program for any semester in which he or she is eligible for or received a grant under Wis. Stats. s. 21.49 (the *National Guard Tuition Grant*), 10 USC 2007 (*Reserve Tuition Assistance*), or the state-level Wisconsin G.I. Bill tuition remission program, regardless of whether he or she applies. To determine the relationship with VetEd and the Post-9/11 Veterans Educational Assistance Act, see www.WisVets.com/Education.

Undergraduates Only. The veteran must be enrolled as an undergraduate. A veteran is not eligible for the VetEd program if he or she has an undergraduate degree from any institution of higher education.

Full-Time Benefits. The maximum amount of study for which an otherwise eligible veteran (see *Eligibility*) may be eligible for VetEd grant reimbursement is based on the aggregate length of the veteran's qualifying active duty military service (except service on active duty for training purposes) **for the first 10 years following separation**, as follows:

- At least 90 days, but less than 181 days of total federal active duty: 30 credits or 2 semesters or the equivalent.
- Between 181 days and 2 years of federal active duty: 60 credits or 4 semesters or the equivalent.

- More than 2 years of federal active duty: 120 credits or 8 semesters or the equivalent.

Part-Time Benefits. For the first 10 years following discharge, credits and semesters are accrued and used for part-time study as noted above.

After the first 10 years following discharge, WDVA will "bank" any unused earned credits, up to a maximum of 60, for additional part-time classroom study with no delimiting date. Part-time study is defined as 11 or fewer credits per semester (or the equivalent trimester or quarter), except during a summer semester or term.

Maximum Reimbursement. The amount that can be reimbursed as a VetEd grant is the *reimbursable costs* multiplied by the current or applicable *reimbursement rate*.

Reimbursable costs are the lesser of: a) the total amount of eligible tuition and fees actually paid by the veteran, not including tuition or fees remitted under the Wisconsin G.I. Bill or paid by scholarships or other grant programs; or, b) the equivalent UW-Madison tuition and fee cost for the same number of credits. In all cases, reimbursement can be no more than the actual payment made by the veteran.

For qualified disabled veterans with at least a 30% VA service-connected disability rating, the *reimbursement rate* is statutorily fixed at 100%. For other eligible veterans, the current *reimbursement rate* is 100% of reimbursable costs, which may be reduced, or applications denied based on the order received, if the appropriation for the program is exceeded.

Additional Information. For additional information, see the WDVA website at www.WisVets.com/Education, or contact your CVSO.

Other Federal & State Veterans Education Benefits

Additional WDVA, VA, or other state or federal educational programs may be available. Veterans and veterans' dependents should see the VA website at www.va.gov, the WDVA website at www.WisVets.com/Education, or their County Veterans Service Officers for additional information or to apply.
